Speed controller

DV-REG-5

Description

The DV-REG speed controller is a straightforward solution for adjusting the actual fan speed.

Product code example

Product code: **DV-REG** **aaa**

type

load

Dimensions

Height: 116 mm
Width: 114 mm
Thickness: 50 mm

Technical specifications

Voltage: 230V
Frequency: 50-60 Hz
Current: 5 A
