

# Straight ventilation Tee

## TPCQT

### Description

Ventilation tee connects with other TRANS-Quick components to transport contaminated air, sawdust, or to simply combine or split air flows. T-piece has a straight 90° branch and the branch size is the same as the header pipe or branch less than that of header size.

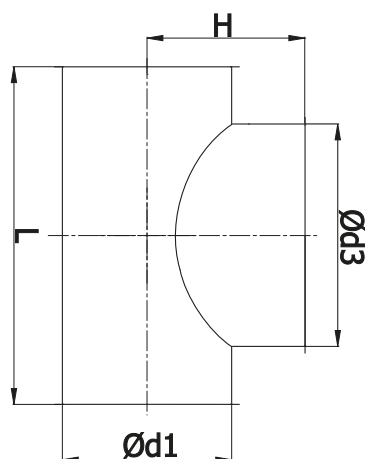

**Available materials - designation example**  
 TPCQT-160-125-0,7 - galvanised steel sheet

#### Designation example:

Product Code: **TPCQT - aaa - bbb - ccc**
